

Falmec, una empresa que cuida el aire que respiramos. / Falmec, siempre cuidadosa con el ar que respiramos.

Solemos olvidar la importancia que tiene la calidad del aire en los espacios que habitamos a diario. Además, el ambiente cargado en interiores es un problema constante en casa, en oficinas y demás espacios cerrados. Gracias a su experiencia consolidada con el sistema patentado E.ion®, Falmec ha creado una solución innovadora para el tratamiento del aire en todos los ambientes domésticos: Bellaria, única por su eficacia, por su silencio y por su diseño.

Nos nossos espaços de vida quotidiana, a importância da qualidade do ar é muitas vezes negligenciada. Contudo, a poluição interior é um problema crescente em casa, no escritório e outros espaços interiores. Com a experiência adquirida com o sistema patenteado E.ion®, a Falmec desenvolveu uma solução inovadora para purificar o ar em qualquer ambiente doméstico: Bellaria, única no seu desempenho bem-sucedido, tranquilidade e design.
